

Wise to listen to our why's, foolish to
act upon but your recognizer of why.

Neuroplasticity- Self cause as is here
to make use of the pliability of
the practicality of principally both
In & out visible: Make the intangible
tangible.

Fuck "Labor Saver" Devices, mentally &
physically...

Perversion ~ extreme pain & joy &
desire as pleasure

Wanted
to be
a
man

5/16/50

on the
other side

and and

the
as the

of
life

--- but on food

How would we protect who food?

at school
No

to improve & support of
in character

In the case of our former society
the perception of potential of us -
offering to community
